Who is the insurer?

Life Cover is underwritten 100% by Isle of Man Assurance Limited, a company based in the Isle of Man and authorised and regulated by the Isle of Man Financial Services Authority.

Can I take out this cover?

To be eligible for the cover on the start date you and/or your family members, if applicable:

1. must permanently and legally reside in the United Kingdom; and;
2. must be aged between 18 and 55 at the effective date; and your partner/spouse are between the age of 18 years and 55 at the effective date; and
3. you must have the legal capacity to enter into the policy in your own right and not through a third party, without limiting the generality of the foregoing, be it an attorney, guardian or the like. For the avoidance of doubt the completion of the application by your regulated insurance intermediary is permitted subject to the limitations as set out in the definition of You, Your in the policy Terms & Conditions in terms of your legal capacity;

Policy can be renewed up to the age of 68. The Life cover benefit will be reduced to 50% of the benefit following the renewal age of 56 and stops following the renewal of 68.

You may also include your partner and/or children, subject to the relevant premium being paid, if applicable.

What happens if I take out cover and then change my mind?

You may cancel the policy by writing to ESMI 30 Dukes Place, London EC3A 7LP within 30 days of the start date or the day you receive your documents if it is later, provided no benefit has been paid and receive a full refund of any premiums paid.

You may then cancel the policy at any time and we will work out any refund of premium on a pro rata basis for the unused period of insurance (administration fees are non-refundable).

What cover does the policy provide?

The Life cover provides a guaranteed cash sum up to a maximum of £100,000 (being the maximum sum of all Guaranteed Life policies insured by IOMA which may have been purchased separately by you, if applicable) if you die during the term of cover. *Full details are shown under section "Term Life Cover – Cover Provided" of your policy document*

Are there any limitations on the benefits and what am I NOT covered for under the policy?

Life Moratorium

We do not provide cover for any pre-existing condition, or any related condition, for which you have suffered signs or symptoms, sought or received medical advice, tests or treatment or taken medication, prescribed or not, in the 3 years before your effective date. However, subject to the plan terms and conditions, a pre-existing condition can become eligible for cover providing you have not:

- consulted anyone (e.g. a doctor or specialist) for medical treatment, tests or advice (including check-ups);
- taken medicines (including prescription or over-the-counter drugs, medicines, special diets or injections), for that pre-existing condition or any related condition for two continuous years after your effective date.

If you experience symptoms, receive advice, medication, diagnostic tests or treatment for that medical condition within the first 2 years of your start date then the moratorium period will not be satisfied, and you will only be covered after there has been a continuous period of 2 years where you have been advice, medication, symptom, test and treatment free for that condition.

We will not pay a Life claim as a direct or indirect result or consequence of:

- A pre-existing condition. A pre-existing medical condition as referred to in the moratorium section above.
- intentional self-inflicted injury
- taking alcohol or drugs, unless a doctor has told you to do so (but not for treating drug addiction).
- war, invasion, acts of foreign enemies, hostilities (whether war be declared or not) civil war, riots, strikes, civil commotion, terrorism, rebellion, insurrection or military or usurped power, or explosions of war weapons;
- nuclear contamination, biological contamination or chemical contamination.

Summary Information Document

Please note, for clarity: We will pay the Life Cover benefit if death is as a result of a terrorist act providing that terrorist act does not result in nuclear, biological or chemical contamination.

How long does the policy run for?

This policy lasts for a period of 5 years from the start date and is reviewable* every 5 years. The premium rate you are charged at the start of your plan is guaranteed by the life insurer not to change for 5 years.

Your cover will end when the first of the following happens:

- you die;
- your policy is due for renewal after you reach the age of 68;
- you stop permanently residing in the UK;
- you or we cancel this policy as shown in the policy document; or
- you stop paying your premium, whichever is earlier

*Reviewable means that the terms and conditions can be changed after the first 5 years of cover and the rate can also be changed. There is no guarantee that cover will continue to be provided as the insurer has the right to terminate the policy under 'Our right to cancel' on page 3 of the policy document. If the insurer decides to change the Terms and Conditions or not to provide you with a new policy this will be because of changes to all policies or the product has been withdrawn. No changes or withdrawal of the policy will be as a result your own personal circumstances. Any changes or withdrawal will be communicated to you at the contact details we have been provided for you at least 90 days prior to any change or withdrawal.
